SEPT[®]

WELCOME TO THE SEPT TOOLS UNIVERSE

Based in the Auvergne-Rhône-Alpes region of France, our company specializes in manufacturing machinery for a wide range of applications, from construction, renovation, deconstructing to decontamination, dismantling and decorative work.

Our technology is specifically engineered to deliver powerful, long-lasting, and waterproof (IP65) machines that operate quietly and without vibration, while being compatible with dust extraction systems and strainless solutions - all designed to enhance productivity.

OUR EXPERTISE

AUTOMATIC GRINDER

Decontaminable unit equipped with IP65-rated brushless motors

- Autonomous battery-powered track movement.
- Secure wall positioning via integrated vacuum system
- Single pass coating removal area : 1,5 m²

PERIMETRALL DRILL

- Telescopic indexed mast compatible with diamond or hammer drills.
- Adjustable drilling angle, suitable for applications like tunnel structure reinforcement.

OUR EXPERTISE

MULTI DRILL

Performs vertical or horizontal multi-diamond drilling, creating 6 holes in a single operation.

GRINDING KARTING

- Karting trolley equipped with a FOUINE™ XB165 Grinder
- Grind comfortably in a prone position while reducing musculoskeletal strain for safer, more efficient work.

OFFERED SERVICES & USER BENEFITS

Technical support and advice

Expert guidance from the tender phase to identify the most suitable machinery and tools for specific site needs.

Asbestos zone machine setup

Certified technicians provide on-site commissioning and operator training for lead and asbestos environments.

After-sales service

Our support team ensures thorough equipment monitoring, maintenance and prompt repairs.

Recycling

An environmentally responsible recycling program offering favorable exchange terms for returned products.

GENERAL TERMS AND CONDITIONS OF SALE

ORDERS

Orders are subject to our acceptance. No acknowledgment will be sent: any order not expressly refused in writing within 15 days shall be deemed accepted. Account opening is subject to written approval from our management. We may impose a credit limit beyond which full payment may be required.

PRICES

Prices applicable are those in effect on the delivery date. Purchase and group conditions are not automatically renewed annually.

TRANSPORT

Goods are shipped at the consignee's risk. Delivery schedules are indicative only; delays shall not justify cancellation or damages.

RETURNS

No returns without prior written consent. Returned machines must be in perfect condition, original packaging, and unused. Abrasives and dust bags are neither returnable nor exchangeable.

PAYMENT TERMS

Invoices payable before delivery. For special machines: 50% upon order, 50% upon delivery. 0.5% discount for early payment.

LATE PAYMENT

Penalties: three times the statutory interest rate from the day after due date, plus €40 recovery fee.

WARRANTY

24-month warranty against manufacturing defects.

Proof of purchase required. Warranty service only by our authorized center.

Excludes: misuse, overload, poor maintenance, wear parts, unauthorized accessories, contaminated machines without valid certificate.

REPAIRS

Out-of-warranty: estimate provided before repair. Unrepaired machines returned upon flat fee payment.

No response within 2 months: machines recycled.

CLAIMS

Claims for non-conforming delivery within 48h max. Liability limited to replacement, excluding any damages.

RETENTION OF TITLE & JURISDICTION

Goods remain seller's property until full payment.

Disputes: Commercial Court of Roanne, unless overridden by international law.
