

SCOURPIO V2

CDC102950

EXOSKELETON

The **SCOURPIO V2** exoskeleton vest will allow you to work on wall surfaces without causing musculoskeletal disorders, thanks to an even distribution of the carried load and an adjustable weight balancer.

The exoskeleton is compatible with our hand tools (PETIT POTAM, PICEPEICHE, BUSHHAMMER150) and drills / chisels thanks to our adapter devices.
