

PETIT POTAM XM165 PON100322

GRINDER - FLOOR & WALLS

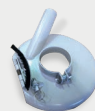

The **PETIT POTAM XM165** has been developed with our brushless motors (noiseless, vibrationfree, increased longevity, and waterproof) for renovation, construction, demolition, asbestos removal, and dismantling purposes. This sander allows you to perform heavy-duty tasks such as removing plaster, resin, bitumen, and more.

The **PETIT POTAM XM165** is compatible with various ergonomics tools from our range, making wall sanding effortless. The plate is interchangeable, allowing for both diamond plate and pad sanding..

This machine must be used with an **IP65 electronic speed controller** and an **industrial vacuum with LONGOPAC®** for proper operation.
