

MOUNTED DRILL FOR102327

DIAMOND DRILL

The **MOUNTED DRILL** has been developed with our 1600W motors for various construction applications. These motors allow for a drill that is quiet, vibration-free, has increased durability, and is waterproof (IP65).

This drill can be fixed with a vacuum pump or directly screwed into the ground. This drill is equipped with a water supply system for diamond drilling. It is recommended to use this drill with our RU80/100 vacuum cleaner equipped with a pump for water circulation.
