

TAPIR XTT330 PON100330 FLOOR GRINDER

The **TAPIR XTT330** has been developed with our brushless motors (noiseless, vibrationfree, increased longevity, and waterproof) for renovation, construction, demolition, asbestos removal, and dismantling purposes.

This sander allows you to perform heavy-duty tasks such as removing plaster, resin, bitumen, and more.

The tapir head is interchangeable, it is possible to attach a 300 mm orbital rotating head with pads for floor finishing.

This machine must be used with an **industrial vacuum with LONGOPAC®** for proper operation.
